

Team Member Step by Step Guide to placing a CS Direct Order

1. Your Team admin person would have provided you with the team stores URL: <http://aucustom.champ-sys.com/teamstore/?teampippo> copy and paste the URL provided to you in your internet browser, this will take you directly to your team store.

2. Once you are at the team store, you will be able to view the items that are available to purchase. To Select a item simply hover your cursor over the proof you wish to order and click to order

3. Once you have clicked to order, it will open a new window where you will make your garment selection. Simply click on the garment you would like and then you will be able to make custom options etc choose zipper length, cut of jersey, add reflective piping

- Once you have selected your garment, made your custom options and added your size. Simply click add to cart.

- Once you have clicked add to cart, you will get a pop up box to either continue shopping or Review / Checkout. If you wish to add more items to your cart, select continue shopping and this will take you back to the home page. If you are ready to finalise your order select checkout.

- If you have finished selecting the items you wish to purchase follow the prompts to the checkout. Follow the order process, just like any other online store shopping cart. As you follow the process you will be asked to confirm your order – you can add more items or checkout.

10. Delivery – Your order will be delivered 4-5 weeks after your team CS DIRECT order has closed. Your order will be individually packed and delivered with all your other team member orders and freighted to your team manager for distribution. If your team manager has set the CS Direct order up with individual shipping and you have paid the additional shipping fees your order will be directly shipped to you

Don't hesitate to contact your team manager or contact us direct for any questions or queries.
